FEBRUARY LEARNING

Learning this month has been centered around the themes of nursery rhymes, friendship, and belonging.

- Students in Mrs. Liggett's class enjoyed reading nursery rhymes and exploring in their Itsy Bitsy Spider sensory bin. The students realized they were missing the sun, so they decided to use the materials in their art center to create suns. Scroll through the newsletter to see pictures!
- Mrs. Apodaca's class learned all about Chinese New Year. They were even inspired to create dragons at home with their families and bring them to school to share with their peers.
- All classrooms had a successful first day of Read Across America week! We enjoyed wearing our pajamas and reading to our stuffed animals. Even Mrs. Savage's giant stuffed panda came to say hello and listen to a few stories!

In December, we welcomed a new member to our preschool team. Ms. Madi Pearson joined us as a Preschool Behavior Coach. At Cougar Cubs, Madi serves as a coach for our teachers, providing feedback and support to also build their capacity in successfully and positively guiding our students' behavior. Madi works with all students in all of our classrooms to teach social-emotional skills. She has been a great addition to our team! Her email is mpearson@gcsc.k12.in.us if you have any questions.
