APRIL LEARNING

April has been a busy month in Cougar Cubs! Thank you to everyone who helped with and attended our first Cougar Cubs Preschool Art Show. We are so proud of our budding preschool artists.

This month, we kicked off spring with learning experiences focused on all things spring -- plants, flowers, insects, butterflies, and more! We were able to incorporate so many learning foundations into these experiences. For example, we practiced using standard and nonstandard units of measurement to measure insects. We have worked on developing writing skills by providing a variety of writing experiences and word cards. Students learned about evaporation and the water cycle while conducting science experiments. We also planted seeds and have been eagerly waiting for sprouts. Check out the rest of this issue for photos from April! Be sure to follow our Facebook page too: GCCSC Cougar Cubs Preschool.

UPCOMING EVENTS

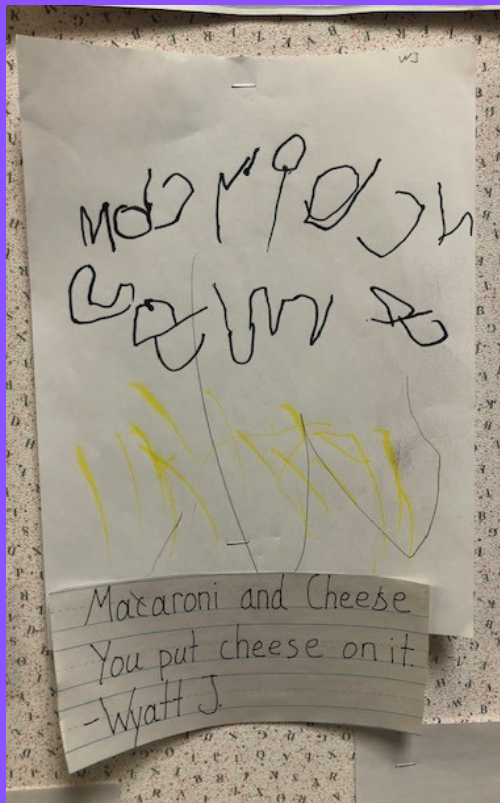

Water Day (Tentative, based on weather): May 19th

End of the Year Celebrations: May 25th

Cougar Cubs East: 10:00–11:00 AM

Cougar Cubs West: 3:00–4:00 PM

Last Day of School: May 26th

Emergent Writing

Foundation ELA 3.1 Demonstrate mechanics of writing

Foundation ELA 3.2 Demonstrate ability to communicate a story

MEET MS. HALL

We are so excited to welcome Brooke Hall to our team as our newest Preschool Instructor. She joins us with several years of experience as a preschool teacher, and most recently an Assistant Director for a childcare facility in Indianapolis. Her philosophy of teaching is to teach all children, embrace the diversity of every child, and develop the whole child. She has also been a basketball coach. In her free time, she enjoys being an aunt, spending time on the farm, thrift shopping, and baking. Welcome, Brooke!

KINDERGARTEN 2022-2023

Kindergarten registration for the 2022-2023 school year is now open. Visit the Greenfield-Central website (gcsc.k12.in.us) to complete the online registration. Children must be 5 years old by August 1st to be eligible for kindergarten. Early entrance protocol is available on the website. If you missed round-up, please contact your child's school for information on next steps.

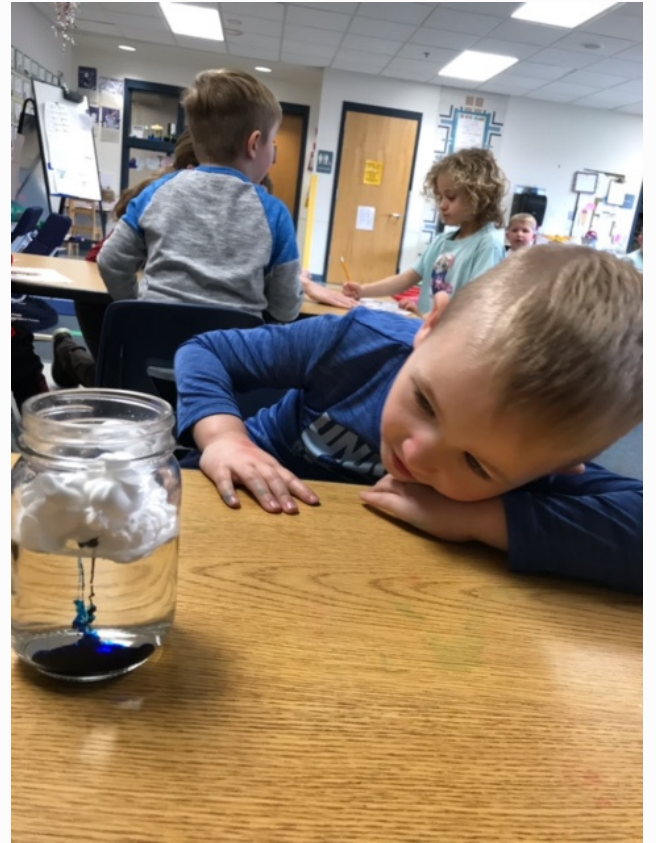

Block House Measurement

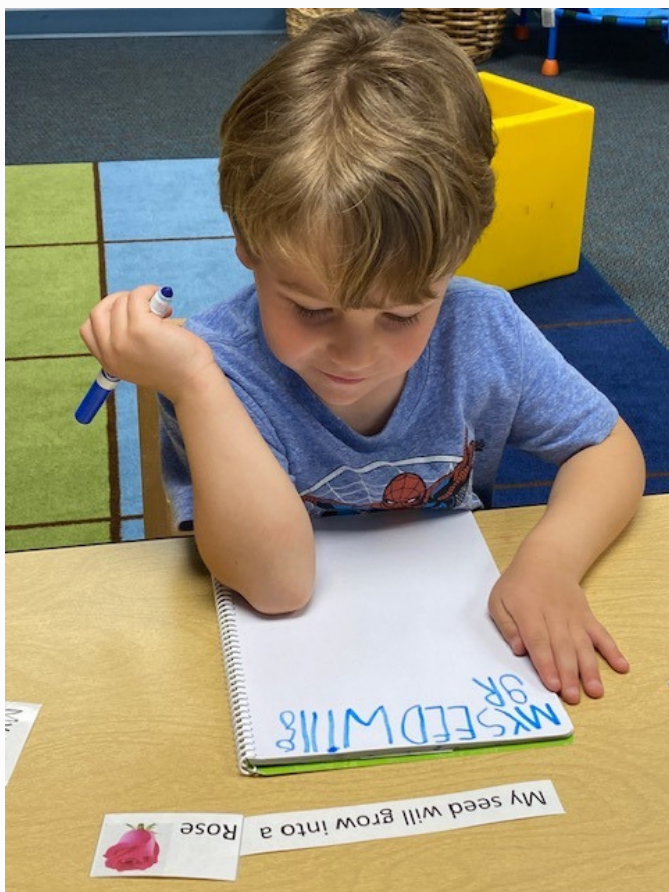

- M 1.1 Demonstrate strong sense of counting
- M 1.2 Demonstrate understanding of written numerals
- M 5.2 Understand measurement through description and comparison

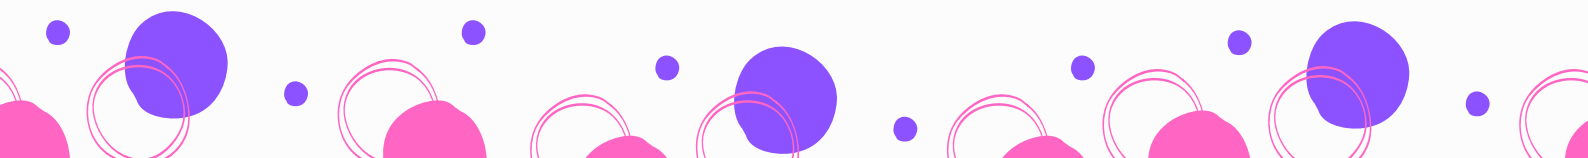

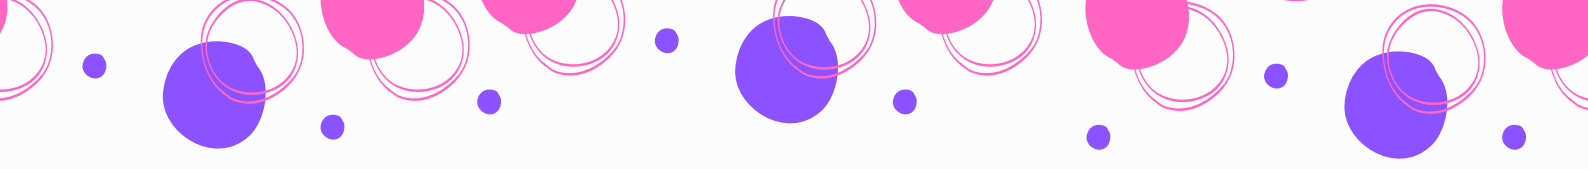

SUMMER CARE

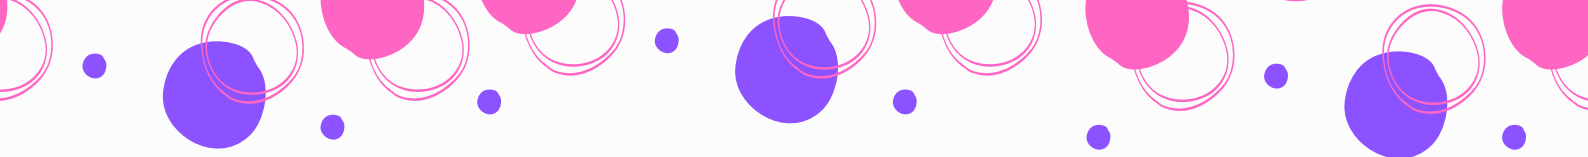

If you are in need of child care over the summer, let us know! We have some staff members in Cougar Cubs who are interested in summer employment. If you let Mrs. Savage know, a staff member can reach out to you if they are available. We can also provide information to you about other local summer programs.
