

PHILOSOPHY

EXPECTATIONS

Students need to be potty-trained prior to starting kindergarten. Steps should be taken during the preschool experience to make progress.

We meet students where they are in the process and guide them towards independence.

COMMUNICATION

Progress is made when families and staff are consistent with expectations.

CCP Toileting Guidelines

We schedule times throughout the day to provide opportunities for our entering preschoolers to practice toileting skills while still in diapers. Please note pull-ups are preferred as they more easily foster independence allowing children to pull them up and down.

STEP 1: PULL-UPS

We offer scheduled times to provide opportunities to practice toileting skills in pull-ups.

STEP 2: UNDERWEAR

We embrace teachable moments when accidents happen and pride ourselves in making progress and reaching this milestone prior to leaving preschool.

STEP 3: POTTY-TRAINED

EACH STUDENT HAS A TUB FOR DIAPERS/PULL-UPS/WIPES. AN EXTRA SET OF CLOTHES AND TOILETING SUPPLIES SHOULD BE SENT IN REGULARLY.
